RE: In the Matter of Khadijah Abdur-Rahman
Case No.: 22-0089-C (Referral for Prosecution)

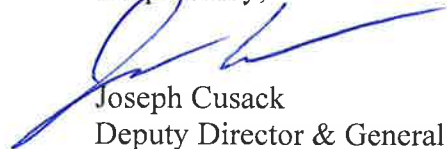

Dear Ms. Young:

On December 8, 2022, the Georgia Government Transparency and Campaign Finance Commission (hereinafter, "Commission") found reasonable grounds to believe that Respondent Khadijah Abdur-Rahman has violated provisions of the Georgia Government Transparency and Campaign Finance Act. As such, the Commission is referring the above-referenced cases to the Attorney General's Office for further prosecution under the Administrative Procedures Act.

I have taken the liberty of uploading a complete copy of the Commission's case files, as it appears as of this date, to the attached jump drive. The Commission will retain the original documents; however, should you need an original document, please let me know.

I thank you for your attention to this matter, please do not hesitate to contact me at 470-355-6000 or jcusack@ethics.ga.gov should you wish to discuss this matter.

Respectfully,

Joseph Cusack
Deputy Director & General Counsel
